

# Providing a Strong Foundation in Life for All Chautauqua County Children

## Universal Reach/Targeted Support for Children Prenatally-Age 5

## Anticipated Results of Strong Starts Chautauqua

-  **Reduction in rates of fetal death, preterm delivery, low birth-weight, and NICU stays**
-  **Family stability, fewer child abuse/maltreatment cases, early detection of delays and disabilities**
-  **Connection with early intervention prior to school entry, improved child mental health, greater school and life success**
-  **Nearly \$8 million in annual savings associated with fewer low birth weight in babies in the county**
-  **About \$17 million in special education savings per year in the county**
